

MAYA SHARMA

Associate Machine Learning Engineer

Pune, Maharashtra, India | +91 98710 66778 | maya.sharma.ml@example.com | linkedin.com/in/maya-sharma-ml-example

PROFESSIONAL SUMMARY

Junior ML Engineer with 1.5 years of industry experience. Strong academic foundation in Machine Learning algorithms, Python programming, and Scikit-learn. Eager to expand production deployment and advanced deep learning capabilities.

TECHNICAL SKILLS

Programming: Python, C++, SQL (Basic)

Machine Learning: Scikit-learn, PyTorch (Foundational), Model Evaluation

Data Tools: Pandas, NumPy, Data Preprocessing, Matplotlib

Tools: Git, GitHub, Jupyter Notebook, Linux

WORK EXPERIENCE

Associate Machine Learning Engineer — AlgoScale Technologies

January 2023 – Present (1.5 yrs) | Pune, India

- Implemented machine learning feature extraction and data preprocessing scripts using Python and Pandas.
- Trained baseline classification algorithms using Scikit-learn and performed model evaluation with accuracy and F1 metrics.
- Assisted in querying MySQL databases using SQL scripts to generate training and testing splits.
- Utilized Git for daily version control and issue tracking in an Agile team setup.

PROJECTS

Predictive Housing Price Model: Implemented linear regression and random forest models using Python, Pandas, and Scikit-learn.

EDUCATION

B.E. in Computer Science — Pune Institute of Computer Technology (PICT)

Graduation: 2022 | Pune, India

- Final year project in Machine Learning. Graduated with First Class.

CERTIFICATIONS

- Python for Data Science and Machine Learning** — Udemy (2022)
