

ROHAN KAPOOR

Data Scientist & ML Practitioner

New Delhi, India | +91 98110 33445 | rohan.kapoor.ds@example.com | linkedin.com/in/rohan-kapoor-ds-example

PROFESSIONAL SUMMARY

Data Scientist with 3 years of experience applying statistical modeling, machine learning, and data analytics. Expert in Python, Scikit-learn, SQL database queries, Pandas data preprocessing, and model evaluation metrics with experience exposing insights via REST APIs and Git.

TECHNICAL SKILLS

Languages: Python, SQL, R

ML & Modeling: Scikit-learn, XGBoost, Random Forest, Model Evaluation, Statistical Modeling

Data Wrangling: Pandas, NumPy, Data Preprocessing, Feature Selection, Statistical Analysis

Software & Tools: Flask, REST APIs, Git, PostgreSQL, Tableau, Jupyter

WORK EXPERIENCE

Data Scientist — Vanguard Analytics Corp

October 2021 – Present (3 yrs) | Gurgaon, India

- Built statistical and machine learning models using Python and Scikit-learn for demand forecasting and price elasticity.
- Performed extensive data preprocessing, outlier removal, and normalization on large datasets with Pandas and NumPy.
- Extracted complex training features from PostgreSQL databases using advanced SQL joins, indexing, and aggregations.
- Evaluated model performance via k-fold cross-validation, RMSE, and F1-score; documented versioned experiments in Git.
- Developed Flask REST API endpoints to deliver real-time model inference scores to downstream enterprise web apps.

PROJECTS

Enterprise Supply Chain Demand Forecaster: Engineered a Scikit-learn regression model using Pandas feature preprocessing and SQL database integration.

Customer Segmentation Engine: Applied unsupervised clustering algorithms with NumPy and Scikit-learn, visualized with Python Matplotlib.

EDUCATION

M.Tech in Data Science & Machine Learning — Delhi Technological University (DTU)

Graduation: 2021 | Delhi, India

- Master's Thesis: Scalable Machine Learning Pipelines for Relational Structured Datasets.

B.Tech in Computer Science — Indraprastha University

Graduation: 2019 | Delhi, India

- Graduated with First Class Honors.

CERTIFICATIONS

- IBM Certified Data Science Professional — IBM (2021)
